

Lattice Peptides

Certificate of Analysis

Research-use-only material — not for human or veterinary use.

Lot number:	LP-2025-1201
Product:	GHK-Cu
Appearance:	Blue to blue-green lyophilized material
Purity (HPLC):	>= 99.4%
Identity:	Confirmed by mass spectrometry
Testing methods:	HPLC, Mass Spectrometry
Test date:	2025-12-01
Batch status:	Archived lot
Laboratory:	Independent third-party analytical laboratory

Storage guidance

Lyophilized material: store at -20 C, protected from light and moisture.

Reconstitution and handling per institutional laboratory SOPs.

PREVIEW SAMPLE — This PDF is for development and design reference only. Production COAs may differ in layout.
